Graham Care Awards 2015 NOMINATION FORM FOR WOODCHURCH HOUSE

Do you believe our staff members are delivering outstanding service? Are they helping transform the lives of people with dementia and/or physical frailty? It could be a nurse, an activity worker, a cook or a handyman who continually goes the extra mile to help our residents be the people they really are and who positively enjoys giving them the individualised care, companionship and stimulation that facilitates their wellbeing.

We are seeking nominations from residents, families and friends who have seen for themselves the outstanding qualities our staff can bring to the care and support of people at Woodchurch House. **You can nominate up to 5 members of staff.** If you would like to give reasons for your nomination please feel free to do so overleaf or on a separate sheet.

Please complete this form with your nomination(s). We will also be emailing nomination questionnaires via Survey Monkey.
