5	Documentation and physical inspection	<p>I was very pleased to find all documentation readily available for inspection. All certificates of inspection, thorough examination and testing were current.</p> <p>The physical inspection did not reveal any defects or improvements were required.</p> <p>I believe the ideas the home has for improving the 'homely' feel for residents is a marked improvement and will certainly be reflected in the residents' contentment.</p> <p>Congratulations to the team for a very pleasing and clear inspection.</p>
